

## Bigrock E-News

January 6, 2012

### Status Report

---

Happy New Year!

I have **GOOD NEWS** to share:

The **COMET** is opening this weekend!

We have endured rain, high temps as high as 45 F (in December!?), and minimal natural snowfall, but we are elated to be able to finally offer top-to-bottom skiing!

The Bigrock Snowmakers and Groomers have laid down a 12-30" base on the granddaddy of ski trails, and smoothed it with a fine corduroy finish.

Snowmaking efforts have now moved over to Milky Way, Family Trail, and Uncle Bud's. We will be opening new terrain at every opportunity.

Remarkably, the snow base on our existing open terrain has held up quite well, though we fully expect Mother Nature to start pulling her own weight real soon -- check out our Tebow\_for\_Snow project on our **facebook** page for some great shots of Bigrockers praying for snow! And, read on for details on our Superb Snow Guarantee.

But wait, there's more good news!

We still have 13 weeks of winter ahead of us! Didn't see that one coming, did you? Yep, we've got more than 65 days left to ski and ride The Rock!

That means there's plenty of time left to get your

skis or snowboard tuned in our Rental Shop, and to sign up for **SnowSchool Programs**. See below for details.

As always...

THINK SNOW!

All the best,

Mark Shea

Marketing/SnowSchool Director

## **Superb Snow. Guaranteed.**

Bigrock is proud of the reputation we have established for superb snow conditions. Our customers often tell us that when the conditions are less than ideal at other areas, they know they can count on Bigrock to provide an excellent skiing and riding experience.

In fact, we believe that the snow conditions will be so good for the remainder of Christmas Vacation – we'll guarantee it!

Now through Monday, January 2, if you're not satisfied with the day's snow conditions on our open terrain, return your lift ticket by 10:00 a.m. and receive a voucher so you can come back another day this season.

Offer restrictions: Tickets purchased at current rates are redeemable for a voucher of equal value that can be redeemed toward the purchase of a lift ticket through the end of the 2011-2012 season. Please note that this is a snow condition guarantee only. No vouchers will be given for weather or lift related conditions. No cash refunds will be granted. Vouchers are not transferable and are not for re-sale.

## **Bigrock SnowSchool Programs**

Multi-week programs start this weekend, and

there's still time to sign up!

**CA Saturday Ski4Life**, for kids from Mars Hill, Blaine and Bridgewater, meets Saturday mornings from 10am - Noon.

**Littlerockers** is for kids aged 4 - 6 years and is specially designed for our youngest skiers and riders, with a focus on developing fundamental skills in a safe, yet fun-filled environment. Instructors in this program have lots of experience with kids and know how to use games and activities to make learning fun. Littlerockers meets Saturday afternoons from 1 - 3pm.

**Bigrockers** is for kids aged 7-13 years and is open to junior skiers and riders of all abilities, including first-timers. This 8-week program emphasizes skill development through coaching and on-mountain mileage. Bigrockers is not just skills; it's about fostering friendships and a lifelong appreciation for staying active in the winter.

**Racerockers** Participation will be based on the participant's ski ability, maturity level, and ability to accept and apply coaching. Each participant will be evaluated in the first week and placed in the program that is appropriate for their development. Race every Sunday!

It's not too late to sign up! Send an email to [info@bigrockmaine.com](mailto:info@bigrockmaine.com), call the mountain (207-425-6711) or stop by the Rental Shop to register for more info!

Cost: \$120 (includes lift ticket). Season pass holders: \$80; Additional children from the same family: \$40.
