Status Report

February Vacation has ROCKED at BIGROCK -- and it's about to get even better!

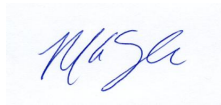

While most of you got rain in your hometown on Thursday, we got 4" of FRESH SNOW at the top of the mountain!

Local forecasters are calling for the largest storm of the season TONIGHT and spectacular weather on Sunday! This is shaping up to one EPIC weekend -- don't miss it!

For most of the season we have had the best conditions in the northeast. NOW is the time to GO BIG!

Check out our [**facebook**](#) page for pictures of all the fun -- you might just find yourself in the Photo of the Day!
