GO BIG!

BIGROCK eNEWS

Greetings!

4-5" of natural snow hit THE ROCK on Wednesday -- just in time for the 2nd Annual Thanksgiving Ski Carnival! Added to the man-made snow that our Snowmaking Crew put down at the beginning of the week, we now have a 6-12" base and a 1km skate/classic XC loop right at the base of the mountain! If you're itching to get on snow, Bigrock is the place to GO BIG! Bust out your skinny skis and join us over the weekend. We'll be open for XC skiing only, 8am-4pm, on Saturday and Sunday. Trail Passes are just \$15, and Janice has cooked up some delicious chicken stew, sandwiches, salads and snacks in the Bigrock Cafe!

Think snow!

Truly yours,
